

Our promise to you

At Cafe Draig we have spent a lot of time searching for and working with our local suppliers to bring you the freshest and tastiest produce we can. Take a look at some of our local suppliers.

Amy Beth's Bakery

Began life in Machinations and is now a busy little bakery located in the village workshops in Llanbryn-mair. Amy Beth's deliver freshly baked delicious cakes almost every day to Cafe Draig. Make sure you treat yourself to a slice; You won't regret it!

Langfords, the Welsh Sausage Company

Langfords in Welshpool supply the award winning sausages found in our breakfasts and in our Sausage sandwiches too.

Talerddig Bakery

Our local bakery delivers fresh bread and pastries every day. We use Talerddig bread for our sandwiches, rolls with our soup and stock their tea cakes and Chelsea buns. (Subject to availability, we can run out on busy days.)

Homemade, fresh and full of flavour

All our food is homemade and cooked to order where possible, which means there may be a short wait sometimes. We make all our soups and curries with seasonal produce.

You know your children are eating food that is good for them when you order our homemade chicken nuggets, made with whole chicken breast, free range eggs and bread crumbs made from Talerddig bakery crusts.

Our specials menu is created using seasonal and fresh produce. We try to source fair trade, organic, free range or ethical products when available, so from cooking to eating, it's all good!

We care

If you don't like salad on your plate, let our staff know to save on waste.

Our leftovers get composted and used to keep our flower beds fed.

Veg peelings get fed to our rabbits.

Plastic, tin, paper and card all get recycled.
